# REMARKS

## Specific Amendments

Amendments to the Specification are necessary to correct inadvertant typographical errors and because two photographs, original Figures 16 and 32 from parent application 08/570,674, filed December 11, 1995, have been deleted. The original photographs were unavailable and not necessary for an understanding of the invention. These amendments to the Specification have been made to correct informalities and to

renumber the Figures in the Specification to match the formal drawings. No new matter has been added.

CONCLUSION

If the Examiner feels that a telephone conference would be helpful in expediting the prosecution of the application, the Examiner is encouraged to telephone the undersigned at (781) 861-6240.

Respectfully submitted,

Deirdre E. Sanders
